

We are pleased to announce that the Bonnet Pad retaining straps used on the DB5 & DB6 are now in stock.

We have had to resource the material used but now have an ongoing supply.

The part numbers to quote are:

048-064-0015 Long Bonnet Pad retaining strap

048-064-0016 Short Bonnet Pad retaining strap

To order these or any other Heritage parts please contact one of our Heritage Specialists or Main Dealers, details of which can be found by following the link on the News page.
