

### **DB4 & DB5 No Plate Lamp Parts**

We are pleased to introduce a range of parts for the DB5 number plate lamp which will add that “just left the factory” look to any restoration or repaint.

They are attractively priced and have been manufactured to original quality.

As these part numbers have never been available separately, we wanted to take the opportunity to advise you.

020-037-0799	Chrome Moulding		
020-037-0800-PK	Retaining Clip-moulding		
020-037-0801	End Clip-moulding		
020-037-0802	Gasket for Lens		
020-037-0850	Gasket-Lamp to body		
048-037-0843	Lens		

**NB:** Please note that 020-037-0800 Clip is supplied as a set of 4

I am sure you will agree this once again shows our commitment to provide parts that maintain originality and enhance the value of your vehicle.
