

We would like to remind all owners of the DB5 to AMV8 that we are able to supply Hose kits.

The kits consist of;

- All hoses for the cooling and heater system.
- New thermostat to ensure correct operation of the system.
- All specially moulded hoses of correct diameter.
- Where appropriate gaskets for the thermostat housing.
- The kits offer, on average, a 20% saving over the individual parts.

Kit part numbers: 32-26984 DB5 & DB6

32-26985 DBS (6 Cylinder)

32-26986 DBSV8 & AMV8 to VIN 12031

32-26987 AMV8 from VIN 12032 (Excl EFI)

To order these or any other Heritage parts please contact one of our Heritage Specialists or Main Dealers, details of which can be found by following the link on the News page.
