

V8 Exterior Mirror Components

We are pleased to announce the introduction of two parts for the late version heated electric door mirrors used on the AMV8 from chassis number 12475 on saloon and 15400 on Volante. These parts are the screw covers fitted to the front and rear of the mirror and are part numbered as follows:

37-26319 Dome cap

37-26320 Long flat cap
