PART I

LETTER FROM THE EXECUTIVE CHAIRMAN

**LAWRENCE
STROLL**
EXECUTIVE CHAIRMAN

Dear Shareholder

2024 ANNUAL GENERAL MEETING

I am pleased to enclose the notice for our Annual General Meeting ("AGM"), to be held electronically by audio webcast at 10.30am on Wednesday 8 May 2024. The AGM provides an opportunity for you to hear about our operational and financial performance for the 2023 financial year and ask any questions you may have in relation to the resolutions proposed or the 2023 Annual Report. Instructions on how to join the AGM are set out on page 10.

As set out in our Annual Report, we celebrated our 110th anniversary in 2023 and this gave us an opportunity to reflect on our rich heritage and progress to date, whilst accelerating forward with our vision for the Company. In 2023 Aston Martin delivered significant strategic milestones and further financial progress, driven by continued strong demand for our ultra-luxury, high performance products.

2024 is a year that promises to be a significant and exciting one for the brand, with the highly anticipated arrival of thrilling new products and I look to the future with confidence in our ability to deliver on our vision and the financial targets we have set.

The Notice of AGM, which follows this letter, sets out the business to be considered at our AGM. An explanation of the business to be conducted at the meeting can be found on pages 4 to 5 but I would like to highlight a few matters below.

DIRECTORS

We welcomed three new Directors to our Board in 2023. In July we announced the appointment of Daniel Li as a Shareholder Representative Non-executive Director of Geely, resulting from Geely's significant investment in Aston Martin. Daniel is also a member of our Nomination Committee. In October, we appointed Cyrus Jilla as a Shareholder Representative Non-executive Director,

representing Ernesto Bertarelli who is a significant member of the Yew Tree Consortium. Both appointments are an important part of the Company's relationships with our strategic shareholders and I value the contribution and perspective that Daniel and Cyrus bring to our Board discussions.

In October we appointed Jean Tomlin as an Independent Non-executive Director and member of our Nomination Committee. Jean's HR background combined with her luxury and automotive sector experience will be of great benefit to the Board and I look forward to working with Jean going forward.

As set out in Resolutions 3 to 17, each Director will seek election or re-election at the AGM. Biographical details of all the Directors (as at the date of this Notice) are set out on pages 76 to 79 of the 2023 Annual Report and appear on the Company's website, www.astonmartinlagonda.com.

VOTING AT THE AGM

To ensure that your vote will be counted I encourage all shareholders to vote on the resolutions to be proposed at the AGM by appointing the Chair of the AGM as their proxy, using one of the following ways:

- online via our registrars' website www.shareview.co.uk
- via the CREST electronic proxy appointment service (for CREST members);
- via the Proximity platform (for Institutional Investors); or
- by completing the enclosed Proxy Form and returning it to our registrars.

The Chair of the AGM will then cast the votes for which they have been appointed as proxy and, once the results have been verified by our registrars, Equiniti, they will be published on our website, www.astonmartinlagonda.com, and released via a Regulatory Information Service.

The deadline for appointing a proxy is 10.30am on Friday 3 May 2024. Please note that the deadline for shareholders holding their shares through a nominee, including the AML Nominee Service, will be earlier than this date and so those shareholders should check this with their nominee. If you vote by proxy, you may still attend electronically, speak and vote at the AGM, if you subsequently wish to do so.

RECOMMENDATION

The Directors consider that each resolution to be proposed at the AGM is in the best interests of the shareholders as a whole and unanimously recommend shareholders to vote in favour of all resolutions, as they intend to do in respect of their own shareholdings.

I would like to take this opportunity to thank all our shareholders and my colleagues for your continued support of Aston Martin.

Yours sincerely

LAWRENCE STROLL
EXECUTIVE CHAIRMAN

provided that this authority shall apply until the conclusion of the Company's AGM to be held in 2025 (or, if earlier, at the close of business on 7 August 2025), but in each case, so that the Company may make offers or enter into any agreements during the relevant period which would, or might, require relevant securities to be allotted after the authority expires and the Directors may allot relevant securities in pursuance of such offer or agreement as if the authority conferred hereby had not expired.

such authority to expire at the end of the next AGM of the Company (or, if earlier, at the close of business on 7 August 2025) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

**ADDITIONAL AUTHORITY TO DISAPPLY
PRE-EMPTION RIGHTS
RESOLUTION 23**

That if Resolution 21 is passed, the Board be authorised in addition to any authority granted under Resolution 22 pursuant to sections 570 and 573 of the Act to allot equity securities (as defined in the Act) for cash, under the authority given by that resolution and/or to sell Ordinary Shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority shall:

- (i) in the case of the authority given under Resolution 21(i):
 - a. be limited to the allotment of equity securities (otherwise than pursuant to paragraph (b) below) up to an aggregate nominal amount of £ 8,237,418, such authority to be used only for the purposes of financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Board of the Company determines to be either an acquisition or a specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this Notice; and
 - b. when any allotment of equity securities is or has been made pursuant to paragraph (a) above, be limited to the allotment of equity securities up to an aggregate nominal amount equal to 20% of the nominal amount of any allotment of equity securities from time to time under paragraph (a) above, such authority to be used only for the purposes of making a follow-on offer which the Board of the Company determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this Notice; and
- (ii) expire (unless previously renewed, varied or revoked by the Company in a general meeting) at the end of the next AGM of the Company (or, if earlier, at the close of business on 7 August 2025) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

- iii. the maximum price (excluding stamp duty and expenses) which may be paid for each such share is the higher of:

- iv. the authority hereby conferred shall apply until the conclusion of the Company's AGM to be held in 2025 (or, if earlier, 7 August 2025) (except in relation to the purchase of shares the contracts for which are concluded before such expiry and which are executed wholly or partly after such expiry), unless such authority is renewed prior to such time.

PART III

EXPLANATORY NOTES RELATING TO THE BUSINESS OF THE MEETING

RESOLUTION 1 – REPORT AND ACCOUNTS

The Directors of the Company are required to present the 2023 Annual Report to the meeting.

RESOLUTION 2 – DIRECTORS' REMUNERATION REPORT

All quoted companies (as defined in the Act) are required to put their Directors' Remuneration Report to shareholders annually (Resolution 2). The Directors' Remuneration Report can be found on pages 108 to 122 of the 2023 Annual Report and sets out details of payments made to Directors in the year to 31 December 2023. The Directors must include specific information within the Directors' Remuneration Report in accordance with applicable regulations and the Directors' Remuneration Report has been prepared accordingly.

The vote on the Directors' Remuneration Report is advisory in nature. Accordingly, payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that this resolution is not passed.

RESOLUTIONS 3 TO 17 – DIRECTORS

Resolutions 3 to 17 deal with the election or re-election (as applicable) of Directors in accordance with the requirements of the Company's Articles of Association and the UK Corporate Governance Code. Daniel Li, Cyrus Jilla and Jean Tomlin will all seek election to office for the first time. All other Directors are seeking shareholder approval for re-election to the Board. All Directors standing for re-election have confirmed their willingness to remain in office.

Biographical details of all the Directors seeking election or re-election are set out on pages 76-79 of the 2023 Annual Report. Biographies also appear on the Company's website: www.astonmartinlagonda.com.

The Board, upon recommendation of the Nomination Committee, is satisfied that each of the Independent Non-executive Directors remain independent in character and judgement, with sufficient time to dedicate to their roles. Additional information is included on pages 95-96 of the 2023 Annual Report about the independence of the independent Non-executive Directors.

RESOLUTIONS 18 AND 19 – AUDITORS

Ernst & Young LLP were appointed as auditors at the 2019 AGM, following a detailed tender process, as set out in the 2019 Annual Report. Resolution 18 proposes the reappointment of Ernst & Young LLP as the Auditors to hold office from the conclusion of this meeting until the conclusion of the next AGM at which the accounts are laid before the Company. The Audit and Risk Committee assessed the independence, performance and effectiveness of Ernst & Young LLP and recommended its reappointment to the Board. Further details can be found in the Audit and Risk Committee Report on page 102 of the 2023 Annual Report.

Resolution 19 proposes that the Auditors' remuneration be determined by the Directors. In effect, the Audit and Risk Committee will consider and approve the audit fees on behalf of the Board in accordance with the Competition and Markets Authority Audit Order.

RESOLUTION 20 – POLITICAL DONATIONS

This resolution seeks authority from shareholders for the Company and its subsidiaries to make donations to UK or EU political parties,

other political organisations or independent electoral candidates, or to incur UK or EU political expenditure. It is the Company's policy not to make donations to political parties and the Company has no intention of altering this policy. However, the definitions in the Act of "political donation", "political organisation" and "political expenditure" are broadly drafted. In particular, they may extend to bodies such as those concerned with policy review, law reform, representation of the business community and special interest groups, which the Company and its subsidiaries may wish to support. Accordingly, the Company is seeking this authority to ensure that it does not inadvertently commit any breaches of the Act through the undertaking of routine activities which would not normally be considered to result in the making of political donations. The aggregate amount of expenditure permitted by this authority will be capped at £75,000. This is the same level of authority that the Company sought at the 2023 AGM. No political donations were made by the Company in the financial year ending 31 December 2023.

RESOLUTIONS 21, 22 AND 23 – AUTHORITIES TO ALLOT SHARES AND DISAPPLY PRE-EMPTION RIGHTS

The Investment Association's most recent Share Capital Management Guidelines published in February 2023 (the "IA Guidelines 2023") on directors' power to allot shares have extended the guidance relating to the allotment and pre-emption rights disapplication authorities so that its members will treat as routine resolutions seeking authority to allot shares representing approximately two-thirds of the number of ordinary shares in issue, and any amount in excess of one-third of the number of ordinary shares in issue should be applied for use not just on rights issues but on any pre-emptive offers.

Accordingly, the first part of Resolution 21 would give the Directors the authority to allot Ordinary Shares (or grant rights to subscribe for or convert any securities into Ordinary Shares) up to a maximum nominal amount equal to £27,183,481 (representing 271,834,806 Ordinary Shares). This amount represents approximately one-third of the issued ordinary share capital (excluding treasury shares) of the Company as of 13 March 2024, being the latest practicable date prior to publication of this Notice.

The second part of Resolution 21 would give the Directors the authority to allot Ordinary Shares (or grant rights to subscribe for or convert any securities into Ordinary Shares) up to an aggregate nominal amount equal to £54,366,961 (representing 543,669,611 Ordinary Shares), in relation to any pre-emptive offer to existing shareholders (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the offer cannot be made due to legal and practical problems). This amount represents approximately two-thirds of the issued ordinary share capital (excluding treasury shares) of the Company as at 13 March 2024, being the latest practicable date prior to publication of this Notice, and is in accordance with the IA Guidelines 2023. As at 13 March 2024, the Company does not hold any shares in treasury.

The first two parts of Resolution 22 would give the Directors the authority to allot Ordinary Shares (including any Ordinary Shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings. This authority would be limited to allotments or sales in connection with any pre-emptive offers, or otherwise up to

an aggregate maximum nominal amount of £8,237,418 (representing 82,374,184 Ordinary Shares). This aggregate nominal amount represents approximately 10% of the issued ordinary share capital of the Company as at 13 March 2024, the latest practicable date prior to publication of this Notice. The third part applies to any allotment of shares for cash for the purposes of a follow-on offer when an allotment of shares has been made under the second waiver. It is limited to the allotment of shares having an aggregate nominal value of up to 20% of the nominal value of any shares allotted under the second waiver. The follow-on offer must be determined by the Directors to be of a kind contemplated by the Pre-Emption Group's 2022 Statement of Principles ("PEG Principles").

The authority granted by Resolution 23 is in addition to the authority granted by Resolution 22. The first part is limited to the allotment of shares for cash up to an aggregate nominal value of £8,237,418 (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which represents approximately a further 10% of the issued ordinary share capital of the Company as at 13 March 2024, being the latest practicable date prior to publication of this Notice. This further authority may only be used for an allotment of shares for cash for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the PEG Principles. The second part applies to the allotment of shares for cash for the purposes of a follow-on offer when an allotment of shares has been made under the first part of the waiver. It is limited to the allotment of shares having an aggregate nominal value of up to 20% of the nominal value of any shares allotted under the first waiver. The follow-on offer must be determined by the Directors to be of a kind contemplated by the PEG Principles.

The authority sought under these resolutions are standard authorities renewed by most listed companies each year. The Directors consider that it is in the best interests of the Company and its shareholders generally that they should have the flexibility conferred by the above authorities to make small issues of shares for cash (on a pre-emptive or, where appropriate, a non-pre-emptive basis) as suitable opportunities arise, although they have no present intention of exercising any of these authorities. The authority given at the 2023 AGM was used for the issue of shares to Geely in May 2023, a placing in August 2023, to satisfy warrant exercises and a free share award granted to all employees under the Share Incentive Plan.

If the resolutions are passed, the authorities sought under Resolutions 21, 22 and 23 will expire on the conclusion of the AGM to be held in 2025 (or, if earlier, at the close of business on 7 August 2025).

RESOLUTION 24 – PURCHASE OF OWN SHARES

This resolution seeks shareholder approval for the Company to make market purchases of up to 82,374,184 Ordinary Shares, being approximately 10% of the issued share capital (excluding treasury shares) as at 13 March 2024 and specifies the minimum and maximum prices at which the Ordinary Shares may be bought.

In certain circumstances it may be advantageous for the Company to purchase its own shares and the Directors consider it to be desirable for the general authority to be available to provide flexibility in the management of the Company's capital resources.

Purchases of the Company's own shares will be made if to do so would be in the best interests of the Company and of its shareholders generally and would result in an increase in earnings per share. The Company may either retain any of its own shares which it has purchased as treasury shares with a view to possible use at a future date or cancel them. Holding the shares as treasury shares gives the Company the ability to use them quickly and cost-effectively and would provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

It is the Company's current intention that, of any shares repurchased under this authority, sufficient shares will be held in treasury to meet the requirements, as they arise, of the Company's share incentive arrangements, with the remainder being cancelled.

The total number of warrants, awards and options to subscribe for Ordinary Shares outstanding as at 13 March 2024 (being the latest practicable date prior to the publication of this Notice), was 33,082,141 representing approximately 4.02% of the issued share capital (excluding treasury shares) at that date. If the existing share purchase authority given at the 2023 AGM (which has not been utilised) and the authority being sought under this resolution were utilised in full, the issued share capital would be reduced by an equivalent amount and the outstanding warrants, awards and options would represent approximately 4.39% of the issued share capital as at 13 March 2024.

This authority will expire at the conclusion of the AGM to be held in 2025 (or, if earlier, 7 August 2025).

RESOLUTION 25 – NOTICE OF GENERAL MEETINGS

Pursuant to section 307(A) of the Act, as amended, the notice period required for all general meetings of the Company is 21 clear days, although shareholders can agree to approve a shorter notice period for general meetings that are not AGMs, which cannot however be less than 14 clear days. AGMs will continue to be held on at least 21 clear days' notice. The shorter notice period would not be used as a matter of routine, but only where the flexibility is merited by the business of the general meeting to be held and is thought to be to the advantage of shareholders as a whole. Shareholder approval will be effective until the Company's next AGM (or, if earlier, 7 August 2025).

PART IV

EXPLANATORY NOTES RELATING TO THE NOTICE OF THE MEETING

ATTENDING AND VOTING

1. To be entitled to attend electronically, speak and vote at the AGM (and for the purpose of determining the number of votes they may cast), shareholders must be entered on the Company's register of members at 6.30pm on Friday 3 May 2024 (or in the case of an adjournment, at the close of business on the date which is two business days before the time of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend electronically, speak and vote at the AGM.
2. To attend and participate in the meeting electronically, please refer to the notes below and the user guide on page 10.
3. All resolutions at the AGM will be decided by poll. The Directors believe a poll is more representative of shareholders' voting intentions because shareholders' votes are counted according to the number of shares held and all votes tendered are taken into account.

SHAREHOLDERS' RIGHT TO ASK QUESTIONS

4. Any shareholder attending the AGM has the right to ask questions. The Chair will ensure that any question relating to the business being dealt with at the AGM receives a response, but in accordance with section 319A of the Act, no response need be given if: (i) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information; (ii) the answer has already been given on the Company's website, www.astonmartinlagonda.com, in the form of an answer to a question; or (iii) the Chair determines that it is undesirable in the interests of the Company or the good order of the AGM that the question be answered. The Chair may determine the order in which questions raised by shareholders are taken, having due regard for shareholders present at the AGM.

APPOINTMENT OF PROXIES

5. Any shareholder of the Company is entitled to appoint a proxy to exercise all or any of their rights to attend electronically and to speak and vote on their behalf at the AGM.
6. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A Proxy Form which may be used to make such appointment and give proxy instructions accompanies this Notice. If you do not have a Proxy Form and believe that you should have one, or if you require additional forms, please contact Equiniti on +44(0)333 207 5973. Lines are open 8.30am to 5.30pm, Monday to Friday (excluding public holidays in England and Wales).
7. Appointing a proxy will not prevent a shareholder from attending and voting electronically at the AGM. Alternatively, a hard copy Proxy Form may be completed. Please return the completed proxy form in the pre-paid envelope provided or to Equiniti, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA. To lodge a proxy online, please visit www.shareview.co.uk and follow the instructions provided. To be valid, the Proxy Form or other instrument appointing a proxy must be received by the Company's Registrar, Equiniti, by no later than 10.30am on Friday 3 May 2024.

8. When appointed as proxy, the Chair of the AGM will cast shareholder votes as directed by the relevant shareholder(s). If no voting indication is given, a proxy (and when appointed as proxy, the Chair of the AGM) may vote as he or she thinks fit on the resolutions or on any other business (including amendments to resolutions) which may come before the meeting. Please note that a "vote withheld" (as it appears on the Proxy Form or Voting Instruction Form) is not a vote in law and will not be counted in the calculation of the proportion of votes 'for' or 'against' a resolution.

COMPLETION OF A PROXY FORM

9. A Proxy Form which may be used to make such appointment and to give proxy instructions accompanies this Notice. If you do not have a Proxy Form and believe that you should have one, or if you require additional forms, please contact Equiniti on +44 (0)333 207 5973. Lines are open from 8.30am to 5.30pm, Monday to Friday (excluding public holidays in England and Wales).
10. Please send completed hard copy proxy forms to Equiniti, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA. To lodge a proxy online, please visit www.shareview.co.uk and follow the instructions provided. To be valid, the Proxy Form or other instrument appointing a proxy must be received by the Company's Registrar, Equiniti, by no later than 10.30am on Friday 3 May 2024.
11. In the case of a member which is a company, a Proxy Form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
12. Any power of attorney or any other authority under which the Proxy Form is signed (or a duly certified copy of such power or authority) must be included with the Proxy Form.
13. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
14. If more than one valid proxy appointment is submitted, the appointment received last before the latest time for the receipt of proxies will take precedence.

APPOINTMENT OF PROXIES THROUGH CREST

15. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
16. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction,

as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti (ID RA19) by 10.30am on Friday 3 May 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

17. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The CREST Manual can be reviewed at www.euroclear.com.
18. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

21. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 5 to 8 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
22. If you have been nominated to receive general shareholder communications directly from the Company, it is important to remember that your main contact in terms of your investment remains the registered shareholder or custodian or broker who administers the investment on your behalf. Therefore, any changes or queries relating to your personal details and holding (including any administration) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee to deal with matters that are directed to it in error. The only exception to this is where the Company, in exercising one of its powers under the Act, writes to you directly for a response.

CORPORATE REPRESENTATIVES

23. Any corporate shareholder may appoint one or more corporate representative(s) who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

 - any circumstance connected with the Auditors ceasing to hold office since the previous meeting at which annual reports and accounts were laid in accordance with section 437 of the Act.
25. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 (requirements as to website availability) of the Act. Where the Company is required to place a statement on a website pursuant to section 527 of the Act, it must forward the statement to the Auditors not later than the time when it makes the statement available on the website.
