

# SUPERCHARGED

UNITED KINGDOM

ASTON MARTIN ULTIMATE TRACK DRIVING EXPERIENCES

## EXPERIENCE OVERVIEW

Your gateway to Aston Martin performance excellence.

Supercharged introduces the thrilling world of Aston Martin performance driving at a curated event. Offering both owners and enthusiasts the opportunity to explore the full capability of Aston Martin vehicles in a controlled, educational environment with unprecedented access to the brand.

With intimate groups of participants and expert instruction, Supercharged creates the perfect blend of learning, excitement and behind the scenes access.

Build your track driving confidence through a comprehensive programme that combines theory and practical application. Begin with vehicle dynamics workshops and skills development, progressing to guided track sessions where you will explore the unique capabilities of Aston Martin's unrivalled product range.

Throughout your journey, race winning instructors provide personalised coaching as you master advanced performance techniques and analyse your driving development.

Spend time with our experts, listen intently as they impart a lifetime of knowledge and stories about the incredible cars, people and places that make Aston Martin what it is today.

## PERFORMANCE DRIVING COURSE MILLBROOK

Join us at the iconic site where the stunt filming for James Bond Casino Royale took place, to embark on your performance driving experience.

Build your confidence through a comprehensive program that combines theory and practical application.

Begin with vehicle dynamics workshops and skills development where you will explore the unique capabilities of the Aston Martin model range across a range of driving activities.

Throughout your journey you will be paired with one of our expert driver coaches who will provide personalised coaching as you master advanced performance techniques and analyse your driving development.

PERFORMANCE DRIVING COURSE MILLBROOK

CITY ROAD

Utilising the unique driving environments at the UTAC Millbrook Proving Ground, you will spend the day working through a variety of different activities enabling you to hone your driving skills and technique as well as exploring the impressive performance and dynamic handling capabilities of the car.

Familiarise yourself with the vehicle and controls whilst your instructor assesses your driving position and hand/eye coordination. Demonstration of the low-speed manoeuvring abilities and the discipline of looking and planning ahead required for the upcoming activities of the day.

BOWL

A high-speed constant radius two mile bowl enabling the car to be experienced at high speed for a prolonged period. Feel the stability of the vehicle at speed and how minute throttle and steering inputs affect the dynamics.

STEERING PAD

An opportunity to safely experience understeer and oversteer within the confines of a specific wetted area. Discover the car's traction aids both activated and deactivated and how it affects the handling experience.

HANDLING TRACK

A 1.4 km circuit with varying camber which demonstrates the dynamic capabilities and builds the rhythm and coordination necessary to get the feel of the car chassis, allowing the effortless smooth and rapid progress that is achievable.

MILE STRAIGHT

A Mile long asphalt surface, perfect for experiencing the acceleration and high-speed braking capabilities of the vehicle. This is also a rare opportunity to complete a 100mph emergency stop and feel the incredible stability of the car.

PERFORMANCE DRIVING COURSE MILLBROOK

HILL ROUTE

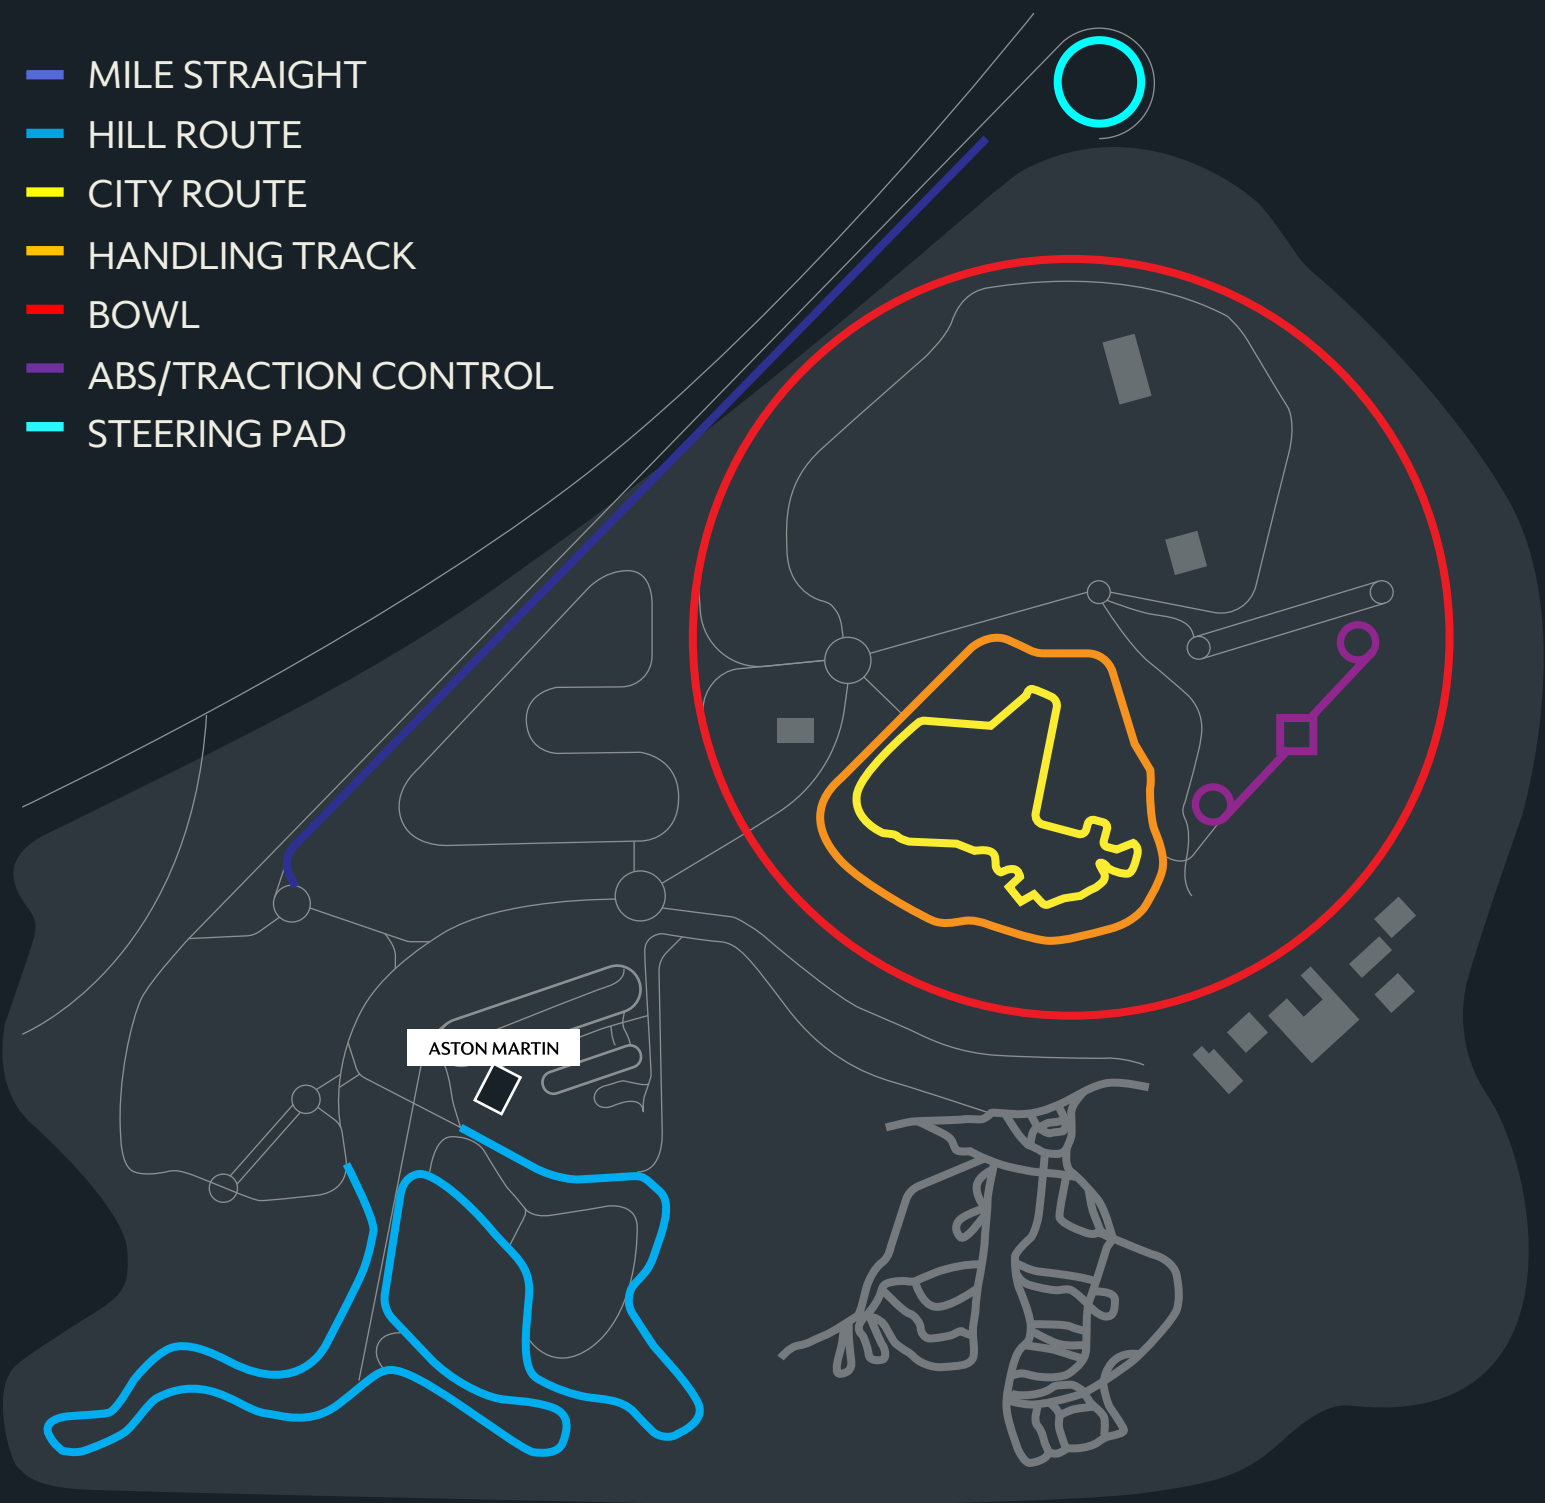

A 6.5 km circuit replicating an alpine road environment with gradients up to 26% this will give you the chance to feel the chassis working as the car and driver flow smoothly around the exhilarating course. Put into practice all the disciplines and confidence learned throughout the day.

ABS / TRACTION CONTROL

A unique activity featuring a wet surface area with a chequer board of polished and rough surfaces to demonstrate ABS and traction control systems.

- MILE STRAIGHT
- HILL ROUTE
- CITY ROUTE
- HANDLING TRACK
- BOWL
- ABS/TRACTION CONTROL
- STEERING PAD

## ESCAPADE, SILVERSTONE

After a day behind the wheel, let us take you to Silverstone – home of the British Grand Prix.

You'll spend the night trackside to the infamous 'Maggots-Becketts' complex of corners. This brand-new collection of lodges with luxury accommodation will ensure you have a restful night's sleep so you're ready to hit the track in the morning.

Rejuvenate in the sauna or swimming pool, and keep on top of your fitness regime in the 'race driver' designed on site gym.

Dine amongst an eclectic collection of art, enjoy dishes that embody British spirit with a global twist and soak up the unbeatable views of the track. A chance to spend time with the group, re telling stories from the day or take a deep drive into the world of Aston Martin with this unique opportunity to spend time with our experts.

## STOWE, SILVERSTONE

On day two we welcome you to the Aston Martin research and development site at Stowe, Silverstone.

Taking all the skills you learned on the day previous – now is the time to put them to the test by driving the Aston Martin range on track.

Your driver coach will still be on hand providing all the hints and tips to really enable you to reach your limit.

Your session will conclude with a 'hot lap' from one of our most experienced racing drivers to unleash the car's full potential.

A light Lunch will be served in the hospitality suite before the final part of your experience ....

## ASTON MARTIN GLOBAL HEADQUARTERS

We conclude with a visit to Aston Martin's state-of-the-art headquarters in Gaydon, Warwickshire.

Built upon the passion, skill and creativity of the people who dedicate their working lives to the most iconic brand in the world. Every intricate stitch, beautifully expressed line, and the stirring noise of our engines, is a manifestation of the desire and collective spirit to create the most beautiful cars: the soul of Aston Martin made real.

Gaydon combines cutting-edge technology with hand-craftsmanship and traditional techniques, providing an infrastructure ideally suited to innovation, creativity and advanced engineering.

It is the passion and pride of our workforce - their meticulous execution of every detail - that defines Aston Martin.

To see the Gaydon production facility is to know that every car and our future is in safe hands.

LOCATION

Centrally located between London and Birmingham the event is within reach of many major airports.

We ask for guests to either make their way to Millbrook Train Station where a driver will collect them and provide transport for the duration of the event or they can make their own way to the venue.

There is also a helipad at Millbrook, should you wish to arrive by helicopter do let us know.

At the conclusion of the event guests can be driven to either Birmingham Airport or Banbury/Leamington Spa Train Stations.

Airport or London chauffeur collection can be arranged for an additional fee.

INCLUDED

This experience is for two people and includes the following –
